

Create an account in fast2sms dashboard

Team ID : PNT2022TMID19524

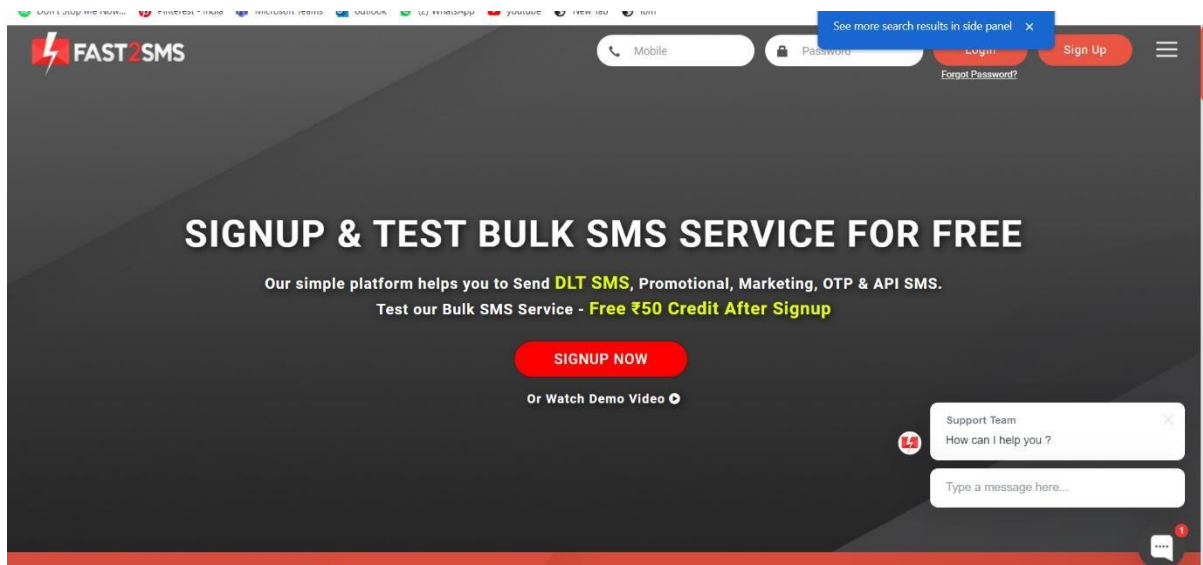

Step 1:

Type fast2sms in google and click on the first link

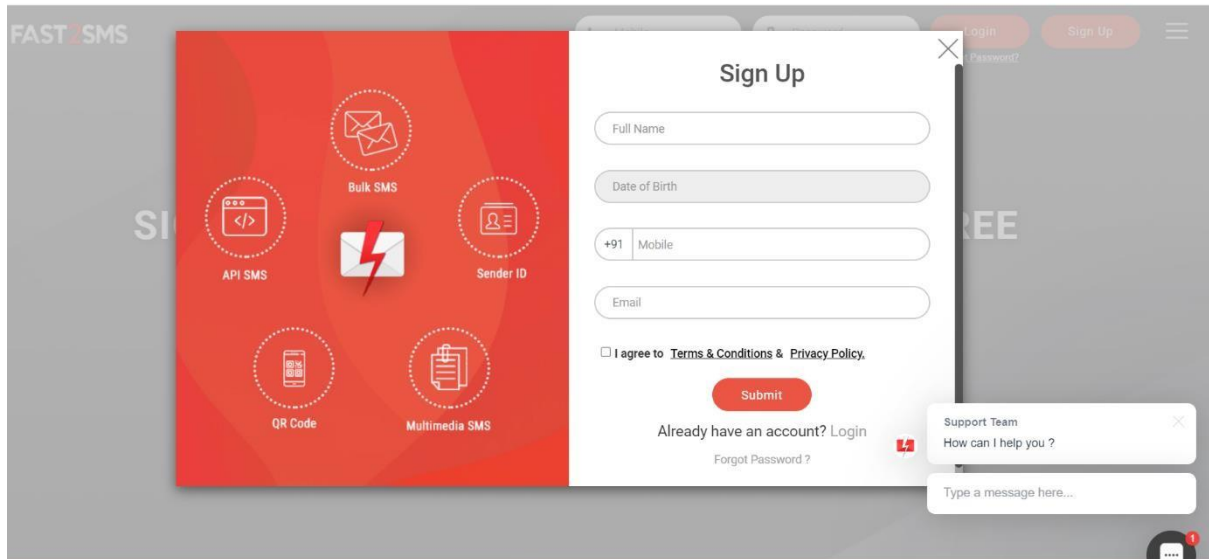

Step 2:

click on sign up now

Step 3:

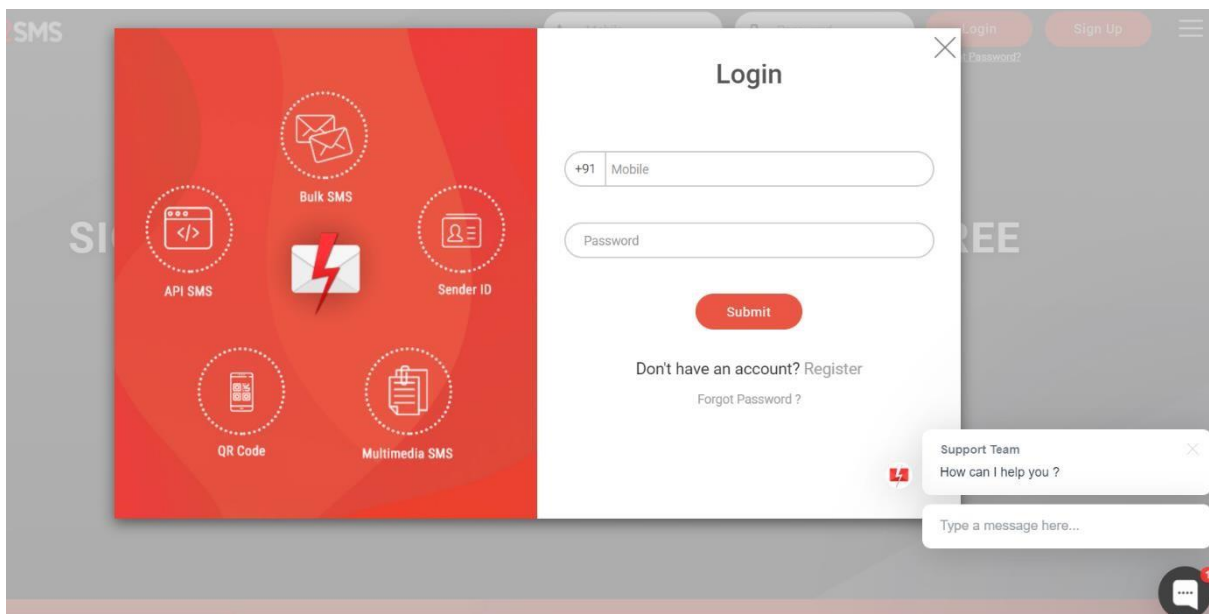

Give your details and click on the check box, then click the submit button.

The screenshot shows the FAST SMS Sign Up form. On the left is a red sidebar with icons for API SMS, Bulk SMS, Sender ID, QR Code, and Multimedia SMS. The main form area is white and contains the following fields: Full Name, Date of Birth, a mobile number field with a '+91' prefix and a 'Mobile' label, and an Email field. Below these fields is a checkbox labeled 'I agree to Terms & Conditions & Privacy Policy.' and a red 'Submit' button. At the bottom of the form, there is a link 'Already have an account? Login' and a link 'Forgot Password?'. A support chat window is visible in the bottom right corner with the text 'Support Team', 'How can I help you?', and a text input field 'Type a message here...'.

Step 4:

You will get the SMS with your password. Type your mobile number and the password then click on the submit button.

The screenshot shows the FAST SMS Login form. The red sidebar on the left is identical to the Sign Up form. The main form area is white and contains the following fields: a mobile number field with a '+91' prefix and a 'Mobile' label, and a Password field. Below these fields is a red 'Submit' button. At the bottom of the form, there is a link 'Don't have an account? Register' and a link 'Forgot Password?'. A support chat window is visible in the bottom right corner with the text 'Support Team', 'How can I help you?', and a text input field 'Type a message here...'.

Step 5:

Click on the Dev API

Fast2SMS interface showing the 'PROMOTIONAL' tab. The interface includes a sidebar with options like Bulk SMS, DLT SMS, Quick SMS, Address Book, Delivery Reports, Transactions, Dev API, Settings, and Help. The main area has tabs for 'PROMOTIONAL' and 'SERVICE'. The 'PROMOTIONAL' tab contains fields for Sender ID (FastDM), Mobile Number (+91), and Message (Dear user your otp:). There are buttons for 'SEND' and 'SCHEDULE'. A 'FEATURES' box on the right lists benefits like 'No DLT Registration Required' and 'Only for Non DND numbers'.

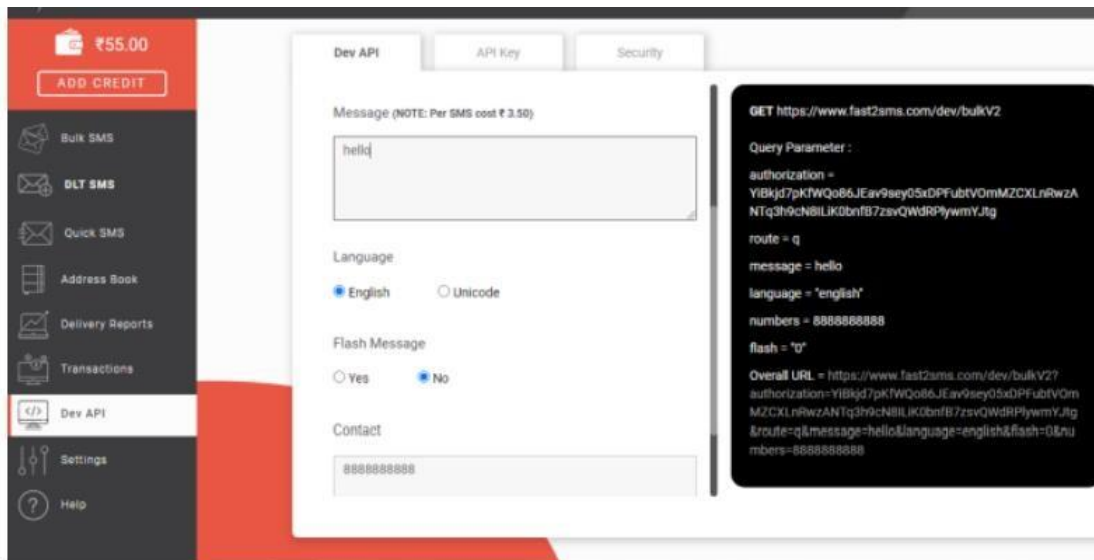

Step 6:

Select the Route as Quick SMS and type the message in Message box.

Fast2SMS interface showing the 'Dev API' tab. The interface includes a sidebar with options like Bulk SMS, DLT SMS, Quick SMS, Address Book, Delivery Reports, Transactions, Dev API, Settings, and Help. The main area has tabs for 'Dev API', 'API Key', and 'Security'. The 'Dev API' tab contains fields for Method (GET), Route (Quick SMS), and Message (hello). There is a 'Language' field at the bottom. A 'Query Parameter' box on the right shows the overall URL and query parameters for the API call.

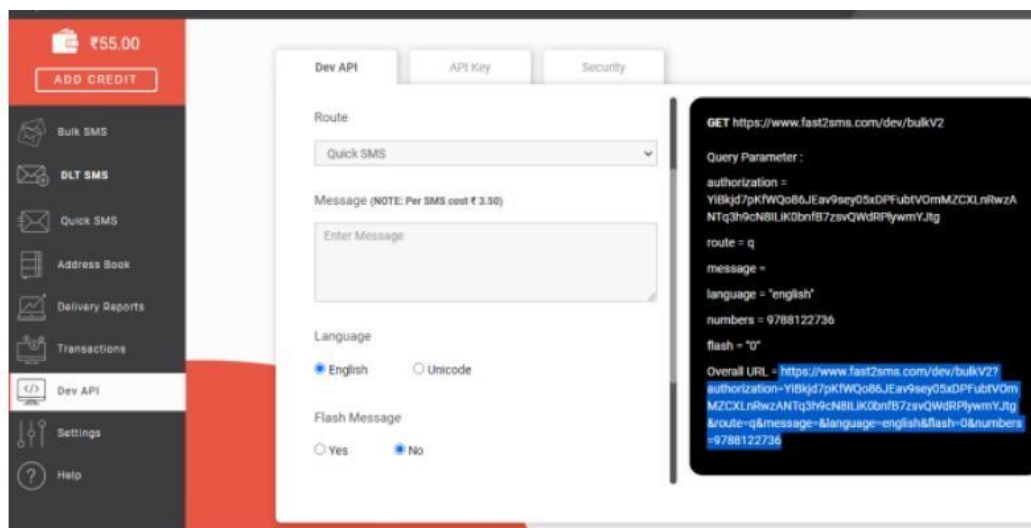

Step 7:

Select your language and type your Mobile number in contact

Step 8:

Copy the URL and paste it in the new tab

Step 9:

You will get the SMS in the new tab

step 9: You will get the SMS in the new tab
